

A MESSAGE FROM INDIANA GROWN

The past two years have been a challenge for many of us, but we are staying hopeful at the start of this new year. Don't hesitate to reach out to the Indiana Grown team if you need anything. We are here to support you.

We are always on the lookout for great photos and videos that provide an authentic representation of Indiana agriculture or a behind the scenes view of how a product is made. Help us educate Hoosiers on what it takes to be an Indiana Grown business or just share a heartwarming moment from a day in the life. You will be tagged or given credit if your submissions are used. Please send submissions to Janna Page at japage@isda.in.gov.

MEMBER SPOTLIGHTS

There are currently more than 1,800 Indiana Grown members. While we are thrilled to support so many of Indiana's farms and businesses, we just cannot fit enough member spotlights in a year! We have moved away from the weekly Five on Friday feature so that we may showcase members on additional days when needed. Help us tell your story by providing information about your operation using the [updated survey link](#).
